

WOMEN ENTREPRENEUR GROWTH FUND “PROMOTING AND UPSCALING DIGITAL SOLUTIONS FOR ENHANCING WOMEN ENTERPRISE GROWTH AND RESILIENCE”

Thank you for your interest in this RFA

To address the current impacts of COVID-19 on women enterprises, WEGF pleased to announce the launch of a “Women Enterprise Recovery Fund: Promoting and Upscaling Digital Solutions for Enhancing Women Enterprise Growth and Resilience” program in Mongolia.

The Fund looks to partner with private sector innovators and seeks to support the development and expansion of digital business models and solutions to alleviate financial and other constraints suffered by women enterprises in Mongolia following COVID-19. It will co-fund companies to pilot and scale digital and financial solutions that enhances women enterprise growth and resilience.

This request for applications (RFA) is framed under these potential areas of intervention:

- **AGRITECH:** Enterprise services to digitize last mile procurement and communications (B2B2C)
- **INSURTECH:** Microinsurance for women farmers and enterprises
- **SUPPLY CHAIN FINANCING:** Digital solutions to link MSMEs with distributors/wholesalers
- **DIGITAL TOOLS FOR WOMEN MSME:** Build credit history and encourage development of customized products
- **INVESTABILITY & DIGITAL/FINANCIAL LITERACY:** Solutions to drive informed and higher uptake of financial services

Please read carefully the requirements, eligibility conditions and evaluation criteria for this RFA, before submitting your application.

If you have any doubts or queries, please write us at foreign.relations@iwfci.mn

Good luck,

IWFCI Mongolia team

* 75. Would you need any form of technical support? If yes, only one option (or 'other') may be selected

Product Research: Sharing market research and knowledge to deepen WEGF partners' understanding of women micro and small entrepreneurs' behaviors, needs, constraints and aspirations. This also includes providing transaction data analysis and training to the business teams.

Product design: Providing human-centered design expertise to better understand the customer journey – physical and financial – for better product design and use-case development tailored to the needs of women MSMEs. The efforts may also involve analyzing the transaction data through a gender lens.

Provisioning: Providing technical assistance to help design, pilot, deploy, and scale up solutions for impact. WEGF technical assistance is provided by digital finance experts who are experienced in product design, business model development and go-to- market strategies in some of the most challenging markets in Asia.

Partnerships: Facilitating strategic partnerships with stakeholders – including cross-border payment hubs, mobile network operators, financial institutions, and non-bank financial institutions – to enable partners to reach last-mile customers, and to grow sustainably. WEGF is uniquely positioned to be a neutral broker of partnerships and has a record of building strong relationships with private and public organizations across Asia and the Pacific.

Policy and Advocacy: Convening efforts to support an enabling environment and build policy and advocacy capacity for gender- sensitive products and services to be piloted and potentially scaled up.
